Angela ran another/broader ICIS report for cases in Hawaii. I'm working on gathering information on Hawaii cases.

Hi Scott,  
Attached is the report showing all enforcement cases in ICIS involving a Hawaii facility.

As I mentioned previously, ownership information is not available in ICIS. Also, there may be additional cases that this ICIS report does not include if the defendant/respondent was an out of state entity that was reported in the ICIS case record as the facility instead of the actual Hawaii facility.

Have a great weekend.

Hi Angela,

In your ICIS pull you missed this one. Can you broaden your search to find all FIFRA cases in Hawaii vs Hawaiian owned companies?

Another case in Hawaii although the company was in North Carolina.

Thanks,
